

Kids Connection Schools 2017 Summer Programs

Our summer program is one of a kind, rooted in our philosophy of bringing together the perfect balance of mind and body. Our camp offers morning classes reviewing basic skills and introducing new ideas through literature, science, and social studies taught by our wonderful counselors. Our afternoons are filled with swimming, enrichment classes, sports, field trips, and much more. We thrive on letting our curiosity loose, reaching for the stars, asking not why, but what if. Come join us this summer while we prepare your passport for weeks of discovery and memorable adventures with extraordinary counselors leading the way! Let us be your tour guide to an unforgettable summer camp experience.

Kids Connection Summer Camp is for children who have completed one year of kindergarten up to 5th grade. Campers will participate in a variety of activities, enrichment classes, special events, and exciting new field trips.

A typical day consists of specially prepared and planned activities, which include arts and crafts, sports, cooking, swimming, games, and special events. Kids Connection opens at 7:00 AM and closes at 6:00 PM. The camp activity hours are between 9:00am and 5:00pm (varies with field trips). Before and after care is included in the fee.

Cost includes field trip fees, transportation, supplies, 1 t-shirt, and both a morning and afternoon snack. A weekly calendar will be distributed showing daily activities and schedules. Lunch is not included in the cost of camp. A hot lunch service, Choicelunch, is available for purchase. A packed lunch will need to be provided for field trip days.

Applications should be returned before May 12, 2017 to ensure a space in our program.
